

# The Fumigation Assistant: Helpful tips, right to your phone

Fumigation takes some preparation on your end. But you don't have to go it alone. We'll guide you through the process step by step, with personalized text messages timed according to your fumigation date and web content designed to give you everything you need to prepare for fumigation day.

## What to expect:

- 1** Simply **provide your mobile phone number** to your pest management professional or visit [FumigationAssistant.com](https://www.fumigationassistant.com) to sign up. Then you'll receive an initial text message asking you to verify your interest in receiving future messages.
- 2** Once verified, you'll **receive a series of messages** leading up to your fumigation date. Messages will be customized according to the exact date of your fumigation so you'll know exactly what to do and when.
- 3** The messages you receive will include links to **online resources** to guide you through the entire fumigation process, from initial preparations to returning home.
- 4** **We take your privacy seriously.** We do not retain, share or sell any of your information. We collect no personally identifiable information other than your mobile number, which will be used only for this program.

## You'll receive resources including:

**How and when** to prepare specific areas of your home

A downloadable **checklist** you can use to track your progress

**Informative videos** to help your fumigation run smoothly

*As you use this program as a guide, please follow your pest management professional's specific instructions and contact him or her with questions along the way. If you need to change your fumigation date, please contact your pest management professional.*
