

METAL ROOF RELEASE AGREEMENT

To our customers with Metal Roofing: In the course of serving our customers over the years, Newport Exterminating has found that the delicate nature of metal roofing, coupled with our need to g upon and work on the roof in order to fumigate the property, results in unavoidable damage on many occasions. While every effort is made to avoid such damage, we feel that it cannot always be prevented. The possibility of such damage is a necessary risk of the fumigation process that must be assumed by the customer. ****WARNING***** SLIGHT TO SEVERE DAMAGE WILL OCCUR! Accordingly, it is mutually agreed as follows: THIS AGREEMENT MUST BE SIGNED IN ORDER TO FUMIGATE PROPERTY Newport Exterminating shall not be liable to the customer in any manner or for any damage to the customer's metal roof or for any damage incident thereto arising out of the performance of fumigation services.
